Students completing an associate degree with a cumulative GPA of 2.0 or higher will be accepted into NKU.

least 45 credit hours numbered 300 and above. In addition, at least 25% of the credit hours required for the degree and the last 30 credit hours must be completed at NKU. Students must have an overall GPA of 2.0 and meet all prerequisites for courses and requirements for the major.

**Students** 

Biology Track in conjunction with the BA in Secondary Education. This pathway contains a core of courses required of all biology majors along with the required courses of the General Biology Track. A grade of  $\mathcal{C}$ - or better must be earned in all biology courses that count toward completion of major requirements. A biological sciences major does not require a secondary area of study (e.g. minor or focus).

Students in the CState2NKU program should work dosely with their advisors when choosing courses. This document serves as a guide but does not replace academic advising. When choosing Cincinnati State courses, student may also consult the Associate of Science advising brochure or the catalog for A and B list courses in Arts and Humanities or Social and Behavioral Sciences. Some courses in this document may have prerequisites that are not reflected in the grid. Students should work with their advisor to ensure that all prerequisites are met.
